

Short-Term Building Trip  
Malawi, Africa  
June 21-30, 2024  
New River Presbytery

New River Presbytery, in conjunction with Lifting Hands Ministry and Reynolda Church, is exploring the possibility of taking a team of 8 to help Pastor Stephen Banda complete a village church in Mponela, Malawi, which is about 40 miles north of the capital of Lilongwe.

This trip is for those who have a desire to serve in Africa on a short-term mission team helping to build local churches through physical labor.

The cost of the trip will be around \$4,000.00 per team member.
